New Business

Jacqueline Turner informed the board that the Enforcement Division along with inspectors from the Barber and Cosmetology Board and local law authorities will conduct a blitz inspection of Barber and Cosmetology Salons in the Decatur, Georgia and DeKalb County area on Wednesday – January 19, 2005.

Ms. Turner stated that the agents' objective is unlicensed practice and fake licenses. When persons are discovered practicing without a license, agents will request administrative staff to research for evidence that an application has been submitted, or a Cease and Desist Order has been issued. If no evidence is found in the administrative office of an application for licensure or if evidence is found of a current Cease and Desist Order, the agents will arrest the suspect for a misdemeanor. When persons are discovered to be working with fake licenses, agents will arrest the suspect for a felony.

There was no further business.

The meeting adjourned at 3:20 pm.
